All songs have been arranged by **ROMANZA** except where indicated.

To accompany **ROMANZA**, the group has the ability to provide two very different performance experiences. The first performance option is **ROMANZA** with *Piano, Violin and Concert Bass*. **ROMANZA's** arrangements for this ensemble have been called warm and intimate. The sounds and colors that these instruments create achieve a highly aurally pleasing background to a **ROMANZA** performance. The second performance ensemble option that **ROMANZA** offers is **ROMANZA** with *Full Concert Orchestra*. This option gives a fuller sound with orchestral colorings that highlight **ROMANZA's** music.
