June 9, 2017,

To Whom This May Concern,

As the Programmer in charge of the St. Albert International Children's Festival of the Arts, I had the opportunity to host BAM Percussion at our festival. The purpose of this letter is to recommend BAM Percussion to any Programmers, Festivals, Artistic Directors, Grant Officers, and Event Organizers that are looking for high-quality family entertainment and professionalism.

The entire BAM Percussion team were an absolute delight to work with at the 2017 International Children's Festival. The performance group was professional, polite, flexible, and a pleasure to have at our festival.

Our festival consists of school daytime performances during the week, followed by public performances during the weekend, and attracts families across the Northern Alberta region. It did not matter which group BAM was performing to, they brought great entertainment, laughter, and fantastic percussive talents to every performance. I would highly recommend this performance group, and would be happy to have them back at our festival in the future.

Sincerely,

Neil LeGrandeur
