Marionetas de la Esquina has been a part of the Flint Hills Family Festival two different times. In 2008, we presented their production of *The Circus* and in 2016 we presented *Sleeping Beauty Dreams*. Each time they have been a part of the Festival they have played multiple performances for school and family audiences, reaching hundreds of children, teachers and families with their heartfelt and captivating shows.

I believe that Marionetas de la Esquina has genuine importance for the world of puppetry and theater for young audiences in general, and I am proud to have been able to work with them to be able to present their performances to our community in the Twin Cities. I respect the company's commitment to excellence and artistry and appreciate that they work to the highest professional standards. I encourage US presenters to bring their work to their communities!

Yours truly,

Dayna Martinez
