Audience Recommendation: 4 years old and up / Family audience

Running time: 50 minutes

Capacity: 350-500 persons

SET UP

Set up / stage design / lights setting	Required time	Required Personnel
	16hours.	3 lighting technicians 2 stagehands 1 audio technician (installation, equalization, assistance during the performance)
Strike out and equipment cargo	3 hours	2 stage machinery 2 carriers

*STAGE DESIGN

The stage must count with a backdrop, flies and a stage floor, black preference, Italian style. These elements must be movables.

Minimum elements needed on the stage:

6 legs

3 borders

1 comodín (middle curtain)

Black box

Minimum dimensions of the Stage area:

Height: 4 meters

Wide: 10 meters

Depth: 9 meters

Stage design: The company requests the tech rider of the theater (sound and light) in order to send, based on that template, our lighting and stage design plans. We are sending our current plan, which is based on our theater in Mexico.

LIGHT SETTING

We add our tech rider.

DRESSING ROOMS

2 Dressing rooms for 6 people with lighting mirror and wardrobe
