Parents, Teachers and Students on Liars and Believers Education Programming

“Hi gang, wanted to say thank you for providing such a great experience to our 2 children. That was their first "camp" experience and they came alive with excitement for more. Silas and Esme came home the first day and both said, ‘This was the best day of our lives!’ They loved the games and sharing time with new souls from surrounding towns. What a great experience you provide. As a family, we really enjoyed the final show, it was dynamite”.
-**Andrea Guimond, Parent**

“The visit from Liars and Believers Education Department with our Seventh Grade drama classes was a resounding success! Our students were studying Shakespeare’s Macbeth in class. Having the Liars and Believers zoom interpretation available to us on YouTube, and then following it up with a visit from the actors and the director, only added to the enriching experience. Highly recommended!”- **Bill Jacob, Creative Arts Department Chair, Brimmer and May School**

“They inspired me to work harder in drama class and in theater in general.”- **Alice Dalton, 8th Grade, Brimmer and May**

“Thank you so much for speaking at my school! It was so interesting to hear what you had to say about Shakespeare’s writing. I learned so much from you!”- **Shira Listokin, 7th Grade, Brimmer and May**

“They were really informative about how Shakespeare’s plays worked and the tempo of the verse.”- **Katherine Knox, 7th Grade, Brimmer and May**

"Liars and Believers gives access to theater in a fun and engaging way to a group of kids who would otherwise have limited or no exposure. The program is critical and enriching and we are thankful to have had this wonderful experience."-**Jim Lichoulas, Head of Mill No. 5**

"We were so fortunate to have the opportunity to work with Liars & Believers. Our students cannot stop raving about the experience. We look forward to working with Liars & Believers again in the very near future!"- **Robert Gignac, COO of Lowell Community Charter Public School**

“Allowing students to experience unique styles of performance is a wonderful glimpse into how art is created outside of the classroom. Liars and Believers created not only provided a fantastic experience on stage but also brought us a one of a kind workshop that was engaging, creative, and accessible for each participant.” - **Daniel Morris, Director of Theater, Dana Hall School**
